

April 2008

Congratulations on your upcoming graduation!

Thank you for choosing to enrich TCBC by being a part of our community during your schooling. As you may know, there are a group of people at TCBC who regularly pray for all the college & university students who worship with us, as well as those who are out-of-town. As you shift gears from school to work or post-graduate studies, we will pray especially for you to be settled in a Bible-based church, and into spiritually supportive relationships, cell groups and fellowship.

May you discover, grow and have affirmed your spiritual gifts. May all you say and do glorify God.

With blessings we wish you continued success in your future endeavors.

In Christ,
The Congregants of Toronto Chinese Baptist Church

PS- If possible, could you please take time to complete and return the enclosed survey. Your feedback will help us to improve our support of students and ex-students.
